

SAMAY PANDEY

Backend & Automation Engineer | Dombivli, Maharashtra, India

championsamayp@gmail.com | +91 96195 92796 | [linkedin.com/in/samaypandey1644](https://www.linkedin.com/in/samaypandey1644) | github.com/ChampionSamay1644

EXPERIENCE

First Ventures	Jul 2026 - Present
Backend & Automation Engineer	India
- Own Linux application delivery across three production servers using Docker, Nginx and Bash automation. - Build backend services and integrations in Python and Django, including workflows using the Amazon Selling Partner API for a SaaS finance product. - Work with MySQL and PostgreSQL across backend architecture, data workflows and application development. - Built Model Context Protocol tooling for structured, on-demand knowledge retrieval by AI agents. - Use AI-assisted, loop-based engineering from implementation through testing, deployment and iteration.	

SELECTED PUBLIC PROJECTS

SmartNav - AI Smart Wheelchair	GitHub
Building multilingual voice navigation, speaker verification, collision avoidance and multimodal control on Raspberry Pi using Python, Whisper Tiny, Resemblyzer and offline TTS.	
DataDash - Cross-Platform File Sharing	GitHub
Co-developed an open-source peer-to-peer file transfer application for Windows, macOS, Linux and Android using Python, Java, TCP and optional password protection.	
Career Path Recommender	GitHub
Built a PyQt6 NLP application with clause-aware negation handling and recommendation scoring across more than 60 documented career domains.	

TECHNICAL SKILLS

Languages	Python, C++, SQL, Bash
Backend & Data	Django, FastAPI, Flask, REST APIs, Amazon SP API, MySQL, PostgreSQL
Systems & Delivery	Linux (3+ years), Docker, Nginx, Contabo, Git
Applied AI	MCP, LLM integration, workflow automation, prompt engineering, Whisper, OpenCV

EDUCATION

Bachelor's degree in Computer Engineering	Graduated May 2026
Mumbai, Maharashtra	

ENGINEERING FOCUS

Backend engineering, automation, Linux infrastructure, accessible systems and practical applied AI. Public portfolio: github.com/ChampionSamay1644/Portfolio-Website
